

# Rosie's Rainbow Pinwheel

## What you will need:

- Crayons
- Scissors
- 4x4 plain paper
- Pin
- Glue
- Thin plastic straw
- Paper straw

## Steps:

1. Fold your 4x4 paper corner to corner then unfold. You must create an "X" crease in your paper.
2. Colour each portion with rainbow colours. Make sure to colour both sides of the paper.
3. Cut partway across each crease of the paper \*
4. Put some glue on the center of the paper and bring the first corner to the center
5. Repeat step 4 to every other corner
6. Cut a small circle and glue it to the center of the paper pinwheel \*
7. Get your thin plastic straw and cut a small part of it
8. Insert the pin through the center of the paper pinwheel \*
9. Cover the pin with the plastic straw and stick the pin to the paper straw. Well done!

\*Remember to ask an adult to help when using scissors or pins.
