

Rosie's 3D Paper Daisy

What you will need:

- Coloured Paper
- Glue
- Scissors

Steps:

1. Cut strips of coloured paper.
2. Using a different coloured paper, cut a circle.
3. Glue both ends of the strip together. Do this step to all strips.
4. Glue the strips on top of the circle.
5. Glue the 3D daisy on a piece of coloured paper. Well done!

* Remember to get an adult to help you out!
