- Packet of Ready Made Muffins (we used chocolate)
- Tub of Ready Made Buttercream
- Fruit Winders

Method

- Spread the buttercream over the tops of the muffins until they are completely covered
- Cut two strips (approx 8cm) from the fruit snack roll and stick them along the top of the muffin to make the pirate hat
- Cut another thin strip from the fruit snack roll and twist or knot this to hang down the side of the hat
- Add coloured sweets for one eye and the nose
- Pop on a chocolate chip (or chocolate button) for the eye patch
- Add a cereal hoop for the earring
- Cut two short lengths from the licorice - one to make the mouth, the other to stick above the chocolate button eye patch
